

Rodillian Runners - Application for Membership

I wish to apply for membership of Rodillian Runners. I understand that:

- if I am already a member of another club and have registered with UK Athletics as a member of that club within the current competition year, the competitions I may enter as a member of Rodillian Runners will be restricted by the Laws of UK Athletics.
- my membership is on a rolling 12 month basis and will lapse if I fail to pay the required annual subscription by each anniversary of the joining date.
- my details provided below will be recorded on a computer and may be shared with the relevant governing bodies of athletics. Please see our full Privacy Statement published on our website.

I apply for membership on the following basis and I enclose the correct membership subscription (all cheques to be made payable to “Rodillian Runners”). If accepted into membership, I agree to follow all rules and regulations of the club and all decisions of the management committee and/or its officers.

Please tick the form of membership for which you are applying: ✓

Base membership £49. I understand that if I select this form of membership, I will not be registered with UKA as a competing athlete and if I enter races I shall have to pay the additional £2 ‘unattached levy’ to race organisers.	
Base membership with UKA affiliation £67. I understand that if I select this form of membership, I shall be registered with UKA & Northern Athletics as a first claim competing athlete.	
Second Claim membership £12. I understand that this form of membership is only available if I am a first claim member of another club affiliated to UKA and that if I train with Rodillian Runners, an on-night training fee will be payable. I also understand that if I select this form of membership, I shall not be registered with UKA as a competing athlete and I shall only be able to enter UKA licensed races as a member of Rodillian Runners in competition closed to my first claim club.	

Notes:

- The base membership and base membership with UKA affiliation categories include a Rodillian Runners technical t-shirt in your first year of membership. In subsequent years, annual subscriptions are currently £15 less than the first year’s membership subscriptions.
- The individual fee to affiliate with UKA & Northern Athletics is currently £18 per year and, for the current affiliation year, is included in the membership fee for category “Base Membership with UKA affiliation.” The affiliation year commences on 1st April each year and the forthcoming year’s affiliation fee (at the rate decided by UKA and Northern Athletics) is paid by affiliated members during March each year.
